

San Diego 2009

Saturday, August 22nd

The 9th Annual San Diego Swim-In will take place on August 22nd, 10 AM-4PM, at Lake Miramar in Scripps Ranch (San Diego, CA), right off the I-15 Mira Mesa exit. We plan a bright, sunny day (they all are at that time of year), just perfect for an Amphicar swim with family, friends, and strangers who just want a ride. There will be food and refreshments available, but remember no dogs are allowed near or on the water and no glass containers. Amphipoda has designed a graphic for t-shirts, so there will be a FREE T-shirt to IAOC members who sign up in advance. Give me the number of each size you need in the next week and I will have them made for you.

According to lake rules, alcohol is not permitted. Because water supplies to Southern California are in jeopardy this summer, water levels at the lake are unpredictable, so call or email Steve Reich (858-204-6321) or steve.reich@sbcglobal.net to confirm the location on or just before August 22nd. Other nearby lakes may have sufficient water levels. Come have fun and form or renew relationships with your San Diego Amphicar family.
